

NICOLE MIGEON ARCHITECT

Nicole Migeon Architect is a NYC-based firm that offers architecture services along with interior design, custom millwork, landscape, furniture, lighting design, and art consultation. As licensed architects in numerous states and certified interior designers, NMA's integrated, multidisciplinary model delivers advantages for their clients by streamlining the design process. A unified vision drives every project, ensuring a customized outcome that blends the needs of the owner, site, and community. NMA's designs employ tactile materials, elegant juxtapositions of form and color, creative multifunctional spaces, and seamless transitions from indoors to outdoors. NMA brings a comprehensive knowledge of construction practices and building science, ensuring the highest levels of quality and environmental sustainability.
